

Experience

Kotsovolos | Senior Creative Designer

Jul 2025 - Present

Design high-performing digital assets for a fast-paced retail/e-commerce environment, ensuring brand consistency across multiple digital channels, while contributing as part of an Agile cross-functional team to deliver creative solutions through iterative workflows.

Inte*Learn | Senior Graphic Designer

Jun 2025 - Dec 2025 | 6 Months Contract

Netsteps | UI Designer

Oct 2016 - Sep 2024

- Led the design of e-commerce web interfaces and digital user journeys, producing wireframes, interactive prototypes and UI iterations for responsive experiences using Figma and Sketch.
- Partnered directly with clients to gather requirements and present design decisions. Collaborated with engineering and product management teams to align design concepts with technical constraints and business objectives
- Created visually compelling designs for digital and print media, including branding, marketing materials and social media graphics
